

We are covered by a special insurance policy arranged by The Royal Life Saving Society for members of all affiliated Life Saving Clubs.

We are an affiliated club No 30001532, and our members are all instructors of any grade and all people that have paid to participate in any of our courses and are covered for the period of the course or the event.

They also have third party insurance.

Full details of the policy can be found on the RLSS website.
